

Equipment Rentals

Last Updated Sunday, 18 September 2022

To reserve and rent a boat (and pay), please fill out the form at the bottom of the page. You must be a member to rent. (Although it's not enforced yet since the Webmaster would rather be paddling.) Go to the membership page to join. Thanks. {moslate} {collapsible-elements/} {/moslate} Merrimack Valley Paddlers Boat Rental List. + Kayaks—(\$10/day, \$5/each additional day, \$25/week) New Wave

Paddler Weight: 140–240 lbs Material: Roto-molded,

cross-linked polyethylene
In its time the Cruise Control was considered a hard-playing boat that was extremely responsive. It is a creeking boat with squirt-like abilities. The generous size of the Cruise Control accommodates people up to 240 pounds while serving as a superior creeking boat for those under 180 pounds.
