

National River Cleanup Week.

National River Cleanup Week is coming soon. Please join us on Tuesday June 10th on the Souhegan River.

Help us clean the putins, takeouts, surrounding woods, road, and parking areas.

Bring gloves, bug spray, drinking water, and wear appropriate footwear and clothing for walking in the woods. This is rain or shine, so rain apparel might be needed.

If someone could bring a wheelbarrow, it would be greatly appreciated. George will provide event trash bags, arrange for removal of the collected trash and get us permission to park at Horseshoe Falls if necessary.

If time allows and equipment is provided, we could attempt to remove a tree when we are done.

Meet at the upper put in at 8am-or later. Anyone willing to put any amount of time into this will be appreciated.
